

Microvette 100-200

Provides all the benefits of a universally suitable capillary blood collection system

Product codes:

Reference: MV-1200

Product description:**Product features:****Available models**

Size: 100 microliter (MV-100-201278-B), 100 microliter (MV-100-201278-C), 100 microliter (MV-100-201282-B), 100 microliter (MV-100-201282-C), 100 microliter (MV-100-201280-B), 100 microliter (MV-100-201280-C), 200 microliter (MV-200-201291-B), 200 microliter (MV-200-201291-C), 200 microliter (MV-200-201289-B), 200 microliter (MV-200-201289-C), 200 microliter (MV-200-201288-B), 200 microliter (MV-200-201288-C), 200 microliter (MV-200-201292-B), 200 microliter (MV-200-201292-C), 200 microliter (MV-200-201290-B), 200 microliter (MV-200-201290-C)

Composition: Potassium EDTA (MV-100-201278-B), Potassium EDTA (MV-100-201278-C), Lithium/Heparin (MV-100-201282-B), Lithium/Heparin (MV-100-201282-C), Serum (MV-100-201280-B), Serum (MV-100-201280-C), Serum/Gel (MV-200-201291-B), Serum/Gel (MV-200-201291-C), Glucose (MV-200-201289-B), Glucose (MV-200-201289-C), Potassium EDTA (MV-200-201288-B), Potassium EDTA (MV-200-201288-C), Lithium/Heparin

(MV-200-201292-B), Lithium/Heparin (MV-200-201292-C), Serum (MV-200-201290-B), Serum (MV-200-201290-C)
Units: 100/pk (MV-100-201278-B), 1,000/cs (MV-100-201278-C), 100/pk (MV-100-201282-B), 1,000/cs (MV-100-201282-C), 100/pk (MV-100-201280-B), 1,000/cs (MV-100-201280-C), 100/pk (MV-200-201291-B), 1,000/cs (MV-200-201291-C), 100/pk (MV-200-201289-B), 1,000/cs (MV-200-201289-C), 100/pk (MV-200-201288-B), 1,000/cs (MV-200-201288-C), 100/pk (MV-200-201292-B), 1,000/cs (MV-200-201292-C), 100/pk (MV-200-201290-B), 1,000/cs (MV-200-201290-C)
